Donn – see what you think about this draft; I will look at it this evening after I get to Freeport; we should get the final out this week if at all possible.

Subject: Draft Updated Fact Sheet - San Jacinto

Hello Gary – As we discussed, the attached is a draft updated Fact Sheet for the San Jacinto Site for your consideration. It needs some formatting to fit EPA's template, but I think the content is there. It would be good if we could get this posted before next week's activities. Please don't hesitate to contact me if you need anything else.

Regards,
David
